I Am the One

Sterling

I am the one,
who lives free.
I am the one,
you never see.
I am incomprehensible.

I live among the natural world,
found in the majestic pines,
found in the cascading water,
and in the eagle soaring free.

I am always with you.

I will guide you
through the delicate winds,
through the fields of amber that bring
honor to my name,
and the rivers and streams of no end.

I am the one,
who lives free.
I am the one,
you never see.
I am incomprehensible.

I am your protector,
and I will watch over you.
